

SON OF JANE

Son of Jane is an acoustic rock group consisting of members Sean Fifer (percussion, vocals), Denny Wedekind (guitar, vocals) both of Delta, PA and any of their great friends that may be in the neighborhood sitting in (Bryan Lee, lead guitar, vocals of Ellicott City, MD will join "Son of Jane" at Mason-Dixon Fair).

They play a mixture of original songs, well known covers and some off the beaten path tunes from favorite artists to keep things interesting. This is not your typical shy acoustic act in the corner of a bar. With their choice of music, bold guitar playing and dynamic vocal harmonies, Son of Jane can grab your attention and have you dancing and singing along before you even realize you are doing it.

Their sound is pure Americana, sometimes swampy, other times bluegrass, and always with a good time Rock n Roll spirit that can please just about anyone. So come on out to the Mason Dixon Fair on Saturday July 17th from 11:00am - 3:00pm and check them out, it is guaranteed to be fun for the whole family!
